

1. Using the internet or encyclopedia, research the Coast Guard. When were they created? What is their purpose?
2. Open up the atlas to Kentucky and find the 4 rivers discussed in the *Four Rivers* area. Which of the rivers is farther west? Which one is farther east?
3. While you have the atlas opened, find Kentucky Lake, Lake Barkley, and Land Between the Lakes. If you are traveling from Eastern Kentucky, which lake will you reach first?
4. Open your local newspaper to the *Classifieds*. Are there any boats for sale that have a livewell? If so, what kind of boat is it and how much does it cost?
5. While your newspaper is open, see if you can find an article that mentions the Coast Guard.
6. Woody realizes that reading the directions is important. Can you think of a time you were disqualified from an event or did poorly on an activity because you didn't read the directions?

TAKE A LOOK AT THAT!

As a class, go to *Google Images* and look up any items or places you've never seen before.

MAKE, KEEP, ADD

Make sure you are adding to your list of rivers, lakes, and waterways. Which rivers, lakes, streams, etc. did you add to your list this week?

HOT DOG GAMES

As a class, choose your favorite game from the past 10 weeks and play. Which game was it?

EMAIL WOODY

Email Woody at woody@thewoodybooks.com and tell him the following three things:

1. What your favorite part of the story was.
2. If you reached your goal?
3. One thing you learned from the story.

Check Woody's website and his facebook at www.facebook.com/woodykywiener to see the emails he received.

CUT & PASTE

If your newspaper provided a scrapbook, make sure you cut out Chapter 10 and paste it in the scrapbook. Now you have all ten chapters and your very own *Woody book!* Are Woody and Chloe coming to your town soon? If so, bring your scrapbook for the pups to sign! If you missed a chapter, email us and we will send you what you need.

WOODY'S JOKE OF THE WEEK

What did the magician say to the fish?
