

## QUESTIONS & ACTIVITIES

1. The lady at the food truck mentioned that Woody and Chloe were from Germany. Using the internet or an encyclopedia, research dachshunds and answer the following questions:
    - 1) What country did dachshunds originate?
    - 2) What does the word *dachshund* mean?
    - 3) List 3 characteristics of dachshunds.
  
  2. In Chapter 5, Woody talks about shaking hands, looking someone in the eye, and introducing himself. This is an important life skill but can take some practice. As a class, spend some time practicing with each other.
  
  3. Dad tells Woody that a gaslight is a lamp or light produced by burning gas. He tells him they've seen gas lamps in books or old movies (such as *101 Dalmatians*). Are there books or movies you've seen gas lamps in? If so, which ones?
  
  4. Using *Google Images*, search for a 1968 Studebaker Lark. While you are on the internet, search for other classic cars. Find a classic car you like the most and write a description for the car. Kelsey says many owners name their classic cars. What would you name the classic car you chose as your favorite?

## CUT & PASTE

If your newspaper provided a scrapbook, make sure you cut out this week's chapter and paste it in the scrapbook. If they didn't, make your own scrapbook. Once you've collected all 10 chapters, you will have your very own Woody book! Are Woody and Chloe coming to your town soon? If so, bring your scrapbook for the pups to sign!

## **More of MY TOWN**

Wondering about a festival that hasn't appeared in the newspaper? Fortunately for us Kentuckians, there are countless festivals every weekend throughout the state. Unfortunately, however, we couldn't feature them all in the newspaper. Therefore, we are dedicating Woody's blog to Kentucky festivals. Visit [www.thewoodybooks.wordpress.com](http://www.thewoodybooks.wordpress.com) for more information.
