QUESTIONS & ACTIVITIES

1. Mom tells the pups there are over 2,400 historical markers in the state. As a class, use the internet to learn more about the markers. Research the following:
 - 1) Using *Google Images*, type in “Kentucky Historical Markers” in the search engine to see what they look like.
 - 2) Using *Google*, type in “Kentucky Historical Marker Database Search.” Using the drop-down box, enter your county. How many historical markers are in your county?
 - 3) Look at the location of the markers in your county. Is there one that’s close to the school? If so, as a class, take a walking field trip. Snap a picture of your class in front of the marker and email Woody.
 - 4) Write down a location of one or more of the markers. As a family, visit one of them. Like you did as a class, snap a picture of your family in front of the marker and email it to Woody.

 2. Mom also talks about how some people are too busy on their smartphone to enjoy what’s actually happening around them. As a class, make a list of places that are not appropriate to have a smartphone. (Emergencies are always an exception.)

 3. Make a list of what you think the 11 secret herbs and spices are.

EMAIL WOODY

Email Woody at woody@thewoodybooks.com and tell him what you think really happened with the spices. Do you think Woody made them disappear and reappear? Or did something else happen? As always, please pass along any information about festivals.

Check your email for a response from Woody and check Woody’s website and his facebook at www.facebook.com/woodykywiener to see the emails he received.

CUT & PASTE

If your newspaper provided a scrapbook, make sure you cut out this week’s chapter and paste it in the scrapbook. If they didn’t, make your own scrapbook. Once you’ve collected all 10 chapters, you will have your very own Woody book! Are Woody and Chloe coming to your town soon? If so, bring your scrapbook for the pups to sign!
