### Book Kentucky's Favorite Canines, Woody & Chloe for your Summer Reading Program!

We are fully vaccinated and ready to visit your library! If you've seen our program, you know we focus on the importance of reading, education, and a respect for others and ourselves. It is highly energetic and personable, filled with exciting graphics, inspiring music, and a motivational message. And of course, Woody & Chloe are in the middle of it, wearing their trademark sunglasses. Once the presentation has concluded, patrons have the opportunity to take pictures with the pups, purchase books, and just mingle with us after the presentation is over. The program is educational, inspirational, and just plain fun!

We try to keep our library fee relatively reasonable – and stays the same each year. Our fee is \$375 and includes 2 presentations. A quick overview:

If you have any questions, please don't hesitate to ask. Feel free to contact us via text, phone, or email. If you email us and don't receive a reply, you might want to check your Spam folder.
